2020 FIRE DISTRICT BUDGET MESSAGE & ANALYSIS

Mount Holly Township FD No. 1

FISCAL YEAR: January 1, 2021 to December 31, 2021

Answer all questions below using the space provided. Do not attach answers as a separate document.

1. When is the Fire District's annual election? (February and/or November)

November

If November, was the resolution submitted to the Division?

Yes

2. Complete a brief statement on the 2021 proposed Annual Budget and make comparison to the 2020 adopted budget.

The approved 2021 MHFD budget includes increases in taxation due to cost associated with funding a fire station expansion and renovation project. We continue to capture soft costs within our annual budget as to fund any unforeseen expenses related to the project with the balance of bond proceeds.

3. Explain any variances over +/-10% for each line item. Attach in FAST any supporting documentation that will help to explain the reason for the increase/decrease in the budgeted line item.

See attached "2021 MHFD Budget Line Item Variances".

4. Complete a brief statement on the impact the proposed Annual Budget will have on the Amount to be Raised by Taxation, the use of the Restricted and Unrestricted Fund Balance(s) and how they are complying with the Property Tax Levy Cap.

If Unrestricted Fund Balance is reduced by more than 10%, explain the projected impact on the following year's budget.

The proposed annual budget will show an increase in the tax rate from 0.096 in 2020 to 0.179 in 2021. This increase in tax rate is directly attributed to the added debt service associated with the fire station expansion and renovation project which will be awarded in December, 2020. The increase in tax rate was anticipated and presented as the public took to the polls in December, 2015 to vote on the referendum associated with the project. An owner of a home assessed at the Township average of \$171,068 will see an increase in their annual Fire District tax of approximately \$141.37. The District will again utilize unrestricted fund balance to offset increases in the annual operating budget for 2021 as we continue to cover soft costs within the annual budget. This anticipates that any unforeseen costs associated with the project will be covered with bond proceeds. Should the project be completed as per the contract issued without significant unforeseen costs, the balance of funds available through bond proceeds will reimburse the general fund. Following this year of construction, the District will begin to replenish its unrestricted fund balance.

5. Does the Fire District plan on exceeding the Levy Cap? If so, please provide a statement with the reasons for exceeding the Levy Cap and identify the appropriations that caused the Fire District to exceed the Levy Cap, and how they are being addressed by a referendum.

The proposed budget complies with the Property Tax Levy Cap.

6. If the Fire District plans to pass a Resolution for the Release of Restricted Fund Balance to be used in the 2020 proposed operating budget, explain the reason and purposes of the appropriation.

N/A

7. Complete a brief statement on the Annual Budget's proposed capital appropriations including debt service for the proposed budget year and for future years.

The debt service inserted into the 2021 budget is reflective of the issued \$7.9M in Fire District bonds associated with the fire station expansion and renovation project which will commence with the issuance of contact in December, 2020. The debt service schedule encompasses twenty years with the final debt payment being made during October, 2040. Additional capital expenditures such as apparatus replacement will be funded through the use of the capital fund.
